

Shine the Light on Lung Cancer

In honor of Lung Cancer Awareness Month and in partnership with the GO2 Foundation, the Charach Cancer Treatment Center will host its third annual event designed to raise lung cancer awareness. Learn about screenings and provide support, hope and inspiration to our survivors, families and advocates impacted by lung cancer. Join us for speakers, patient testimonials and a designated "shine the light" tribute.

Thursday, November 14, 2024

5:30 – 6:30 p.m.

DMC Huron Valley-Sinai Hospital

North Orchard Lobby

1 William Carls Drive, Commerce Twp., MI 48382

Please park in the North Orchard Entrance Visitor's Lot or use the drop-off circle for those who cannot walk long distances.

Light appetizers will be served and attendees will receive giveaways, including a flashlight (while supplies last).
